Category	Type	Language	Teaching hours	CP	Semester
Elective	Research Internship	English		4	WT/ST

**Requirements:**

Students are asked to contact one of the BCGS lecturers prior to the start of their internship. Lecturers provide help if needed to find a suitable research group and topic. Not all groups may have internships available at all times, thus participation may be limited.

**Preparation:**

A specialization lecture from the research field in question or equivalent preparation.

**Form of Testing and Examination:**

A written report or, alternatively, a presentation in a meeting of the research group.

**Length of Course:**

4-6 weeks

**Aims of the Course:**

Students conduct their own small research project as a part-time member of one of the research groups in Bonn. The students learn methods of scientific research and apply them to their project.

**Contents of the Course:**

One of the following possible items:

- setting up a small experiment,
- analyzing data from an existing experiment,
- simulating experimental situations,
- numerical or analytical calculations in a theory group.

**Recommended Literature:**

provided by the supervisor within the research group.
